

A floor plan diagram of an office space. The plan is divided into three main areas: a Restroom in the top-left corner, a Private Office in the top-right corner, and a large Open Workspace / Shop / Office area occupying the bottom and central portions. The Restroom and Private Office are separated from the main workspace by thick black lines. The Open Workspace area has three doorways: one on the left wall, one on the bottom wall, and one on the right wall leading into the Private Office. The text labels are in bold black font.

**Restroom**

**Private Office**

**Open Workspace /  
Shop / Office**
